

## Acreage on Private Coastal Georgia Island

Rare chance since initial offering 20 years ago to purchase a 7 acre hammock with deep water access. Build your own dock or enjoy the two community docks. There is a modern clubhouse and swimming pool for your enjoyment. This island is very private with access by boat or plane. Fly down from PDK for the weekend or a lifetime. You have the privilege of a close boat ride to Sapelo, Blackbeard, or St Catherine's Island where pristine beaches still exist and rarely a human is seen. This hammock consists of 15 half acre lots consolidated into one parcel. Trying to find another parcel such as this is just about impossible. You have the amenities shared by all owners but the privacy like no other. This is a very special offering. Come down to Barbour Island and see for yourself what few will ever experience.
