

Conner Oaks

Conner Oaks is 78+/- acres of recreational land located just north of Abbeville in Wilcox county. This property is a proven producer of game. Wilcox County is known for growing big deer and hogs. This property is no exception. The tract is situated in an ideal location. There is agriculture all around the area, and it is located close to the Ocmulgee River.

The property is mostly natural timber regeneration with a large hardwood bottom crossing the tract. These hardwoods will provide plenty of feed for game as well as a natural travel route for deer and hogs. The road system carries you through out the tract and accesses the food plots that are in place. This tract is priced to sell and will make the future owner a great hunting retreat.
