

Dunlap Road

This beautiful 15.85 acres is located just outside of Athens GA and sets up perfectly for a country mini farm. It features a very nice pasture as well as gorgeous hardwoods that are easy to walk through and several wonderful home sites. There are at least two spring heads on the property to provide water for livestock or for possibly building a pond. There is a power line running just inside the property line that would allow you to run power to your new house or cabin. If you are wanting to move to the country or just interested in having a place to relax in the country then this is it. Call Adam Lee at 803-603-6600 to set up your private tour.
